**The Philippine government  
promotes the rational  
exploration, development,  
utilization and conservation  
of mineral resources guided  
by its commitment to  
responsible minerals  
development.**

**Employment**

**103** (average company employed from 200-2015)  
While estimates vary, it is conservatively  
projected that for every basic job in the  
mining company, about four (4) ancillary  
and indirect jobs may be generated in  
the upstream and downstream sectors.

The emergence of small enterprises/  
businesses in the host and neighboring  
communities due to the presence of  
mining operations in the area, and the  
livelihood projects supported by the  
mining companies, which generate both  
employment and income, cannot be  
discounted. These economic activities  
will naturally stimulate the local  
economy.
