South Korea is the company's major market.

### Employment

**782** (average employment from 2004-May2017)

While estimates vary, it is conservatively projected that for every basic job in the mining company, about four (4) ancillary and indirect jobs may be generated in the upstream and downstream sectors.

The emergence of small enterprises/businesses in the host and neighboring communities due to the presence of mining operations in the area, and the livelihood projects supported by the mining companies, which generate both employment and income, cannot be discounted. These economic activities will naturally stimulate the local economy.

### Environmental Protection and Management

**The Philippine government ensures the adequate protection of the environment, before, during mining operations and beyond the life of the mine.**

### Social Development and Management Program

**PhP 109.5 Million** (as of December 2014)

Amount spent by the company for the development of its host and neighboring communities through the approved Social Development and Management Program (SDMP) (IEC, DMTG and Community Development) from 2005 to 2013 to 6 barangays stand to benefit from the implementation of its approved SDMP.

As of December 2015, the remaining SDMP budget is PhP 39.123 Million worth of projects to be implemented to the host barangays (Malobago, Pagcolbon, and Binosawan) and neighboring barangays (Linao, Tinopan, and Sta. Barbara).

### Final Mine

#### Rehabilitation/Decommissioning Plan

**PhP 309.9 Million**  
Approved budget of the company for the implementation of approved activities under its Final Mine Rehabilitation and/or Decommissioning Plan.
